Mail SACKS

We want to be the best breast magazine anywhere. So don't hesitate to send your comments, suggestions and fan letters to HUSTLER BUSTY BEAUTIES, *Mail Sacks*, 9171 Wilshire Blvd., Suite 300, Beverly Hills, CA 90210. Our models stand out, and we want you to speak out. Drop us a line.

PERENNIAL PANDORA

When it comes to writing about the incomparable Pandora Peaks, I have a serious problem. I've run out of superlatives that adequately describe this golden-haired goddess. No matter how many times you present her, it won't be enough. The partnership between BUSTY and Pandora was made in heaven. Her top performances have been for your magazine, and the November '94 spread is the best yet. Only six or seven models could never wear out their welcome, and Pandora Peaks is at the top of the list. Here's hoping for more encores. –Dan
Boulder, Colorado

Our 1993 Centerfold of the Year revealed her spectacular Peaks and Pandora's box in a dazzling encore performance.

BUT DOES SHE COOK?

My hard, stiff cock loves Norma Stitz (*Photo Chest*, November '94). I wouldn't mind having this black bitch for a wife. If she were, I'd fuck her at least five times a day, fondling and sucking her humongous tits day and night. I'd be pounding and skewering her like a big fat piece of meat with her jello boobs undulating and flopping around while she begged me to screw her brains out with my long, stiff salami. Now you guys are cooking! –P.O.
Dexter, Michigan

Norma Stitz? Yes, they are. Move over, Twin Towers, Cajun Queen and Boston Bertha. We now have a new tit queen. Norma's photos are overwhelming. She is simply the biggest-titted model ever featured in a men's magazine. I hope that Norma Stitz not only wins the top prize in your amateur contest, but also retires the trophy. –Al
Arlington, Virginia

Norma Stitz may give future *Photo Chest* contestants an inferiority complex.

Sensational, 73DDD Norma Stitz is an incredible hunk who deserves pro treatment and an extended pictorial. Put her on the cover and watch the issue sell out. Please give us more of this fantastic woman. –Richard
San Mateo, California

It looks as if the next six years will be even greater for HUSTLER BUSTY BEAUTIES than the first half dozen. I'd just finished admiring the incredible talent displayed in your October '94 6th Anniversary Issue when the November '94 edition with the amazing Norma Stitz appeared. She's a superstar of astronomical magnitude. Please feature this all-natural wonder! I won't object if you even raise the price of this issue. In fact, you may need extra pages or bigger sheets to give us a full spread of Norma's charms.

LOVELY PLAINTIFF

It was great to read about Chesty Love's victory over the Internal Revenue Service (October '94). In the media, administrative law generally takes a backseat to criminal law. (Witness the O.J. Simpson circus.) Surprisingly, Chesty's personality, charm and success publicized a case involving key legal issues. I saw Chesty at a club in Rhode Island. Besides a fantastic show, she had the warmest rapport with the audience, including me. I regret not having seen her dance since then. When BUSTY ran a layout, I was very pleased. Thanks for a great public service. –Seth
Bethlehem, Pennsylvania

For readers who like their puffed-up models puffing or want another look at Aspen Alps, here she is having a smoky laugh.

MORE MOUNTAINEERS

I cannot wait another minute to write and thank you for showing us Aspen Alps (November '94). She is absolutely gorgeous!!!! In fact, Aspen is just plain breathtakingly beautiful. I have never before written a letter to the publishers of any magazine, but I hope that at least 90% of BUSTY's readers beg you to do another photo-set of Aspen Alps as soon as possible–*ple-e-e-e-e-e-e-ase.* –Bob
Erie, Pennsylvania

Dionna Starr was 44FF-23-36 huckleberry fine in her June '94 debut.

I just picked up my first copy of HUSTLER BUSTY BEAUTIES, and I'm having a real hard time getting past the layout of Aspen Alps. Your magazine features many attractive models, but Aspen is something special. Not only is she beautiful, but also she exudes a natural, relaxed feeling in posing nude for the camera. Aspen Alps is truly a star in the making! –Brent
Louisville, Kentucky

With pleasure we have heard about the existence of your magazine. Please send us subscription information. –Aleksandr

I was disappointed that your latest list of dancer and model addresses didn't include my favorite, Dionna Starr. How can I write to her?
–Steve

We apologize for omitting Dionna Starr's name from the list. Her address is P.O .Box 8101, Springfield, MO 65801. Next month we'll print a complete pen-pal update.

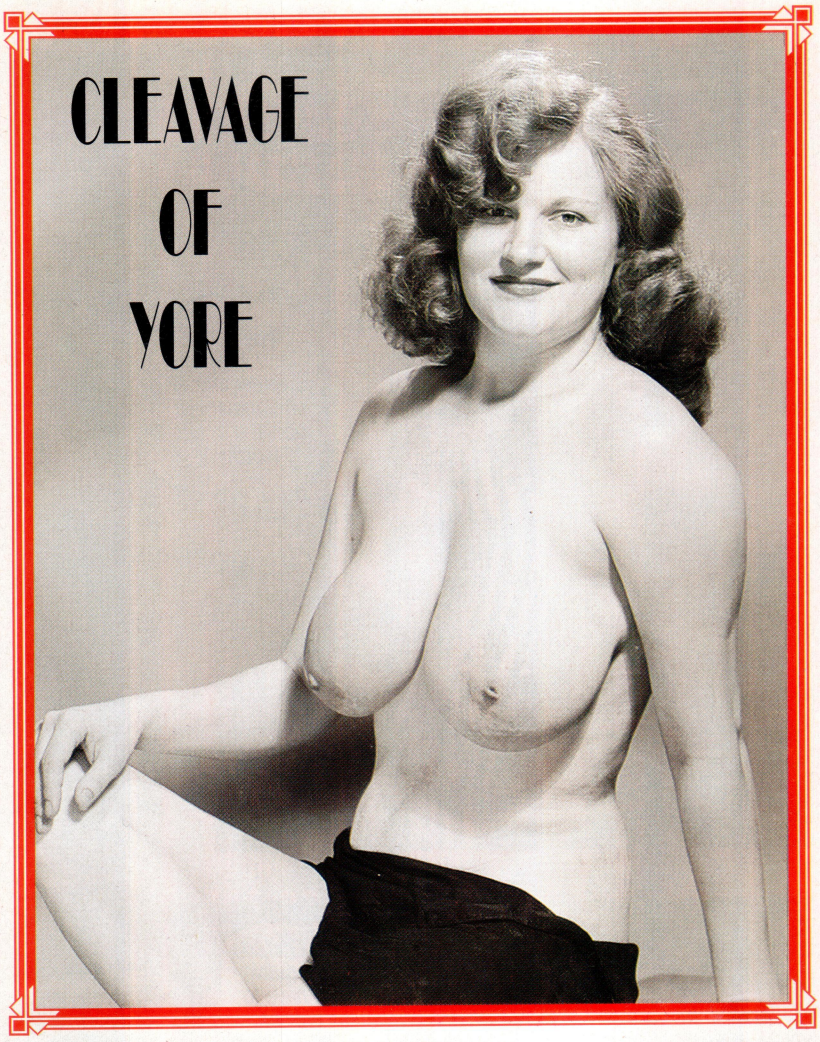
UDDER NONSENSE

STIMULATING SEASONAL ARTISTRY

Winter isn't the best time for br-r-r-r-r-rabusters to run around naked, so our Czech friend Raven used some photographic hocus-pocus to create an erotic as well as baffling collage. Regardless of the mystifying message, his snow bunnies are prime. On the other hand, Darrel Somerville's painting of a booby ski jumper (inset) has no hidden meaning, but it certainly is uplifting.

TITTSBURGH PIRATE

A buck an ear is a high price to pay for corn, and this buccaneer looks corn-fed in two strategic areas. What Micki Marsaille is looking for is up for grabs, as are her sensible udders.



If you've got high-quality stacked-lady photos from yesteryear, send them to *Cleavage of Yore*, HUSTLER BUSTY BEAUTIES, 9171 Wilshire Blvd., Suite 300, Beverly Hills, CA 90210. You'll get $150 for each photo we publish (or $50 if more than one is used). Please provide your Social Security number and enclose an SASE if you want them returned. Please don't rip pages out of old magazines–we can't use 'em–and make sure the lady's got sufficient cleavage.

PAPARAZZI EYE-POPPERS

When the cameras come out at video trade shows and awards bashes, so do the boobs. Getting extracurricular exposure at a recent affair are buxom XXXers Heather Lee (far left), Lacy Rose, Rebecca Wild (center) and a pierced Misty Rain. Tammi Ann must be a true-blue tit-woman. She's got two bosom buddies. (Photos by Chris Forgerson)

"NEXT TIME WE APPROVE THE SCRIPT"

Porno queens Lynn LeMay (BUSTY, September '94) and soon-to-be-featured Rebecca Wild frolic behind the scenes at an industry get-together. Lynn, who made *Udder* appearances in 1991, may have thought that her "funny" days were over, but did we fool her–and Rebecca. (Photos by J.R. Reynolds)

Lisa Ann

Rah-Rah Rubies

Photography by Ger Blansen

LOOKING CHEERLEADER SWEET, THIS BIG-TITTED NATURAL IS NO PENNSYLVANIA PURITAN. "I LIVE TO BE FUCKED," SHE CROWS.

I've never been married, I have no children, I don't have any psycho ex-boyfriends stalking me, and I know how to cook," declares no-additives-ample Lisa Ann. "Do I belong in California? Do I belong in porn?" If an ex-cheerleader wants to travel 2,500 miles to suck up the sun's rays in L.A. and exercise her Constitutional right to suck cock in XXX-rated tapes, it's *the* place. "My main goals when I left Al's Diamond Cabaret in Reading," the 38DD-20-34 Pennsylvanian continues, "were to be in your mag and to make adult videos." With a BUSTY layout and a Metro Home Video contract under her belt (and *mucho* dicks and lezzie lips finding sanctuary in her mouth, twat and cushiony cleavage), Lisa Ann is fulfilling her professional ambitions, but finds it all peculiar. "My new lifestyle *isn't* normal," says the 22-year-old nymphet, whose hobbies are collecting obscene T-shirts and being lazy. "After a breakfast fuck I go to work and am paid to have orgasms and get showered with sperm, and then I go home and have more hot sex. I do it at least three times a day now. I love to fuck, and I love California. Ain't that something to write home about?!"

"Remind me of a rainy day back home. After you get me to come, sprinkle my breasts with a layer of jism."

Like many BUSTY models, Lisa Ann loves hearing from her admirers. You can write to her at:

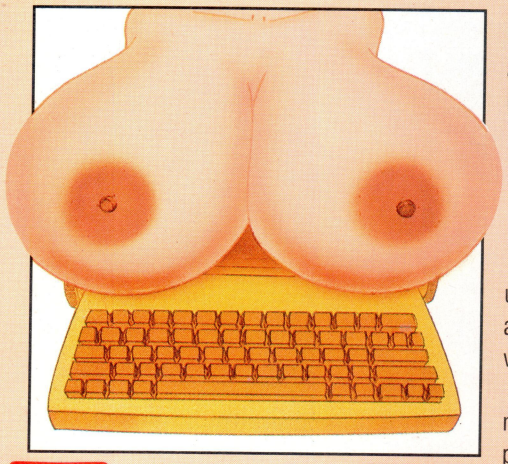
Freyja
NORSE NIGHTOWL
Photography by Parker Haldane

Norway has its fill of pretty blondes, but this cuddly corset-filler is clearly a cut above.

Norway is the land of trolls, those grotesque little folklore creatures that are a traditional Norwegian household item. Instead of an ugly stuffed toy, here's our type of Nordic tradition: a beautiful, fair-skinned, dick-stiffening blonde. One look at 22-year-old Freyja, and you'd think she were a Norse goddess or Euro high-fashion model, but the shapely Norskie is a quality-control technician (and ladies' log-rolling champ) at a lumber mill near Trondheim. "I love the scent of freshly cut wood," says Freyja, whose cohorts would love to get a whiff of *her* musk. "I'm like a troll," the bosomy doll goes on. "When it gets dark—and remember, in winter our nights are very long—I become mischievous, letting my male pals have their way with me, but as soon as the workbell echoes through the mountains, I become a hard-as-stone maiden who always says no." Wouldn't it be great to have Freyja rolling on your log?

"Make me buzz by fucking me with every inch of your thick prick!"



TITTER Chatter

by Dakota Kelly

A question I'm constantly asked is, "How did you get started as a stripper?" My initial impulse would be to recount my first club experience–how I migrated to Houston and was discovered by a talent scout, ad nauseum. But how I *really* got started in the business is an altogether different tale. It began when I was 18. Like most teenagers, I needed money and plenty of it. Gobs of tawdry drugstore cosmetics and fire-extinguisher-size canisters of hair spray weren't cheap. It took not only determination, but also a liberal amount of the king's coin to build those wispy towers of Texas hair–to say nothing of the spackling knives that li'l redneck mamas like me needed to apply their makeup. The bikini-contest season was on its last gasp, and this sweet, young innocent from Sweetwater was willing to venture further afield to make a buck.

I had been aggressively recruited by a company that offered me a seemingly lucrative gig, stripping down to a bikini. *Piece of cake,* I thought as I wrote down the details in my little black book. I was to appear on a big charter boat with two other gals, both of whom would also peel down to their two-pieces. Nothing too scary about that, right?

I showed up about a quarter to four the next afternoon, and it became alarmingly apparent that the two skinny, glassy-eyed women waiting on the dock for me were my new compadres. Great! The first one, a redhead surely kicking the hell out of 40, had cigarette burns on her legs and bottom. I've purged her real name from my memory banks, but let's call her Ashtray. The other was younger but remarkably unremarkable, and she gave me nothing but an attitude and the hairy eyeball. Let's call her June-Bug. If the two bimbos had known about my acting aspirations, they might have thought I was auditioning for *The Love Boat.* I showed up in a hula skirt and blue bikini. Ashtray and June-Bug wore black leather and stiletto-heeled boots.

The men who'd chartered the vessel were a conservative crowd, probably retirees from noble professions. Amateur though I was, I could see that the men who had paid for our services weren't going to be receptive to S&M duds. One man politely came forward and asked my associates if they'd brought anything less "menacing." Ashtray shocked us all by telling him to stuff it.

As the boat headed out to sea, the three of us proceeded to the lavatory, and Ashtray defiantly staked claim to the only chair. I sat meekly on the floor, exchanging stilted pleasantries with June-Bug, while Ashtray put makeup on her scars. She had several fresh welts on her backside, applied no doubt by the big Guido-looking thug I'd seen waving from the dock.

"I don't give a flaming rat's butt," Ashtray said, fastening a black latex bra. "I bought this outfit special. See? It comes with a whip." And out of her bag snaked an enormous bullwhip à la Indiana Jones. Even June-Bug was shocked.

Ashtray insisted on performing first. She trotted right out there and worked that whip like a giant squid's tentacle. Pretty soon she began to snap it hard on the floor, then harder. All 300 men drew cautiously away, but Ashtray was in a frenzy, and the whip lashed out in all directions.

Suddenly, the unthinkable happened. The whip wound itself around the neck of a man in a wheelchair. Ashtray tugged, and the man gurgled, clawing at his Adam's apple. The poor guy was turning blue, and still Ashtray yanked irritably, trying to get it free. Had several people not rushed forward, forcing the thing from her hand, I'm sure Ashtray might have killed the terrified fellow.

June-Bug danced next. By now the crowd was shaken and subdued, but at least she had the wisdom to dispense with the intimidating leathers. Her discount-store panties and bra were hardly an exciting substitute, but at least they didn't strike terror in the hearts of her audience like the Nazi-stormtrooper boots she'd worn earlier. June-Bug made $7 in tips and decided that everyone on the boat was a cheapskate jerk.

I performed last and spent a lot of time talking to the guys. Despite what had occurred earlier, they proved to be warm, receptive and exceedingly generous. One man gave me a $100 tip, and I hated to see the cruise end–especially when, disembarking, I saw Ashtray jabbering furiously at her goony boyfriend. Incredibly, she was pointing at me. *Good heavens,* I thought. *What in God's name is she telling him?*

I had to run to my car with "Guido" in hot pursuit. Luckily, I found a police officer idling by the side of the road. He took my statement and told me to call him at the precinct if Ashtray or her boyfriend ever bothered me again. The only threat I got was a badly misspelled letter forwarded through the agency. Ashtray said that she was going to shave my head, throw acid in my face or slice off my tits. She was a "lovely" person.

Now that I am well-established as an exotic dancer, I can spot spoon-monsters like Ashtray a mile coming. Fortunately, very few like her are in the business. Ninety-nine percent of all the dancers you meet will be angels, but there's still that 1%–fangs bared, strung out on uppers or downers, graceless and ungrateful–whom you have to watch for. My best advice when you meet one is to burn rubber because you can't talk sense to none of 'em.

And that, gentle readers, was my first brush with stripping fame. A wonder I ever persisted. Maybe the whole business should come with a warning label like cigarettes!

MISTY REGAN

Incendiary Lady

PHOTOGRAPHY BY H. DAVID STORY

When Misty Regan began making XXX movies in the early '80s, she was more than just an "I-need-rent-money" slut sticking a bone in her mouth or twat or very popular bum. As she proved in classics like *Nothing to Hide*, *Night of the Headhunter*, *Coming Holmes*, *Misty on Fire*, *Incendiary* and *Deep Throat Girls*, the lewd and lanky redhead (5-10 in her bare feet) was indeed an erotic *actress* of the highest magnitude. Like so many females in the adult-entertainment business, she'd come and go like a summer breeze, but winded up doing more than 100 hard-core features, and as her bosom expanded, so did her following. Here, in a never-before-seen layout, lensman H. David Story captures all of the lady's sumptuous goddess bod and inflammable sex appeal. Yes, Misty Regan is one of porn's eternal flames.

The domineering, statuesque and buXXXom redhead splays Misty for us.

SUCK-CESSFUL JOB INTERVIEW

Not to boast, but my breasts could bring a dead man back to life. I'm a 38DD–not big enough to suffocate anybody, but plenty big for a man who knows what to do. My skin is creamy white, perfect against my cherry-red nipples. I must be careful about wearing white T-shirts because of those naughty little beacons, although I like giving free shows. I get really hot seeing men get excited about my tits. I imagine them sliding their cocks between my luscious lovelies and shooting jizz all over them.

The problem is Wilbur, my prudish boyfriend. Tit-sucking is out of the question, and if I asked him to put his tool between my titties, he'd probably die. Needless to say, I'm usually one frustrated, horny chick.

Last week, though, my life changed. Between jobs and needing money desperately, I scanned the classifieds and spotted an ad for exotic dancers. Actually, I don't consider myself to be *that* exotic. Aside from the size of my knockers, I look like the girl-next-door with long, curly auburn hair and big brown eyes. Still, I keep in shape, and men find me attractive. With a deep-rooted fantasy to dance naked for strangers, I decided to go for it. Gullible old Wilbur thought that I was applying for a job at a bookstore. Well, public-service work would be involved, and I am stacked.

I was a tad nervous, but the bar was clean and not what I'd expected. I'd thought that the manager would be an even dirtier dirty old man than the patrons, but boy, was I wrong! The friendly, brown-haired guy running the place was one of the hottest-looking studs I've ever seen! My pussy moistened just looking at him. We introduced ourselves as Ed led me into his small office. "I guess you're interested in dancing," he said matter-of-factly.

"Um, yes," I answered, blushing. I knew he could tell how wet I was getting, and there was no hiding my erect nipples, which resembled .38-caliber slugs poking through my tank top.

"Nervous?" he asked.

"Very."

"Don't be," Ed assured me. "Just tell me about yourself." I wish I could remember what I said, but all I could think about was my tingling nipples and clit. "Would you feel uncomfortable taking off your shirt for me?" he asked.

Uncomfortable? Not me! My hands shook a little while I removed my top, but that was from the pleasure I got touching my tits, not from apprehension.

"Very nice," Ed said. "Would you mind if I touched them?" I nodded yes. He took first one boob and then the other in his strong hands and rolled the nipples between his fingers. My cunt shivered in pre-orgasmic ecstasy. I couldn't remember the last time that someone had worshiped my hooters, and I purred like a kitten.

Ed's eight-inches were nestled between my mammaries. He thrust back and forth, his purple cock head slipping in and out of my mouth while the rest of his shaft was squeezed by my cleavage.

By now my pussy was on fire. My throbbing clit rubbed against the zipper of my jeans (I never wear panties), and my nipples could cut glass. Ed took my nubs into his mouth, one at a time until I thought I'd explode. Nobody had ever sucked me like that.

"You're very hot," Ed told me, kneading my weighty mounds.

"I love having my tits sucked," I admitted. "My boyfriend won't do it."

"What a waste," Ed gasped. "I guess we ought to make up for lost time."

Before I knew it, we were naked, and Ed's eight inches were nestled between my mammaries. He thrust back and forth, his purple cock head slipping in and out of my mouth while the rest of his shaft was squeezed by my cleavage. While I diddled my clitoris, he pulled my nips with each stroke until my body was quaking. I was about to come when Ed grunted, "I want to tit-fuck you *and* eat you out."

I didn't know how he was going to manage that, but he sure did. Ed lay me down on a cot and knelt over me, facing my bush. He put his hard dick between my breasts and leaned down until his tongue found my slit. With his big balls dangling in my face, I couldn't help but slurp them into my mouth, and the nudie-bar manager groaned pleasurably.

As he fucked my jugs, his hot tongue began to dance along my clit until I was twitching out of control. I don't know how the dude did it, but he fucked my titties, licked my clit and fingered my oozing hole all at the same time. I felt his nuts contracting under my lips and knew that he was as close to coming as I was.

Just as I exploded in the fiercest orgasm I ever had, he shot his load all over my chest and stomach. Some of his boiling-hot spunk even made it down to my twitching twat, where he rubbed it in and made me come harder.

I got the job, and Ed is always available between dances for a little "cunt-structive" criticism. As for my boyfriend, Wilbur still asks me what's on the best-seller list. –H.M.

Illustration by Dwaine Tinsley

Fred's 20/20 vision hadn't been the same since he'd carelessly opened up that Raquel Welch pop-up book and been savagely jabbed in both eyes by a pyramidal pair of cardboard hooters. But then again, that was just one of the risks he took being the owner of a firm that specialized in raunchy gags and novelties. Spending much of his time looking at samples of dirty French flip books and lewd winkie pictures from Mexico made Fred half blind. And, as if eyestrain wasn't enough, his nasal allergies were frequently set off by such items as scratch 'n' sniff, split-beaver greeting cards, which smelled like Icelandic fish factories when activated.

Today, however, it was his ears that were under attack as he listened to a variety of obscene messages emanating from the inside of talking lipsticks shaped like tiny penises. *Now I'm going to go deaf as well as lose my sight and ability to smell,* Fred thought as he used one of his last undamaged senses, taste. Greedily slurping on a topless Dolly Parton lollipop, the jokeman winced at the annoying computer-chip voices saying corny lines like "Open wide, here I come." He breathed a sigh of relief when the phone on his desk began to ring. He put down Dolly and picked up the receiver.

"Hi, Fred," said a soothing female voice. "This is Mary at Tubercle Imports. I have something you might be interested in."

That goes without saying, the beleaguered businessman mused as he conjured up a fantasy about the bodacious woman on the other end of the line and her outsized tits. "Can you come over this afternoon at two?" Fred asked, never wanting to miss an opportunity to ogle the gorgeous sales representative's phenomenal bust, even if the thirtyish brunette never had a novelty product he wanted to buy.

"Actually," Mary purred, "I'd like to come over right now if that's okay. I know it's short notice, but I'm flying to Atlanta this evening, and I have something that I know you'll love. I'm just down the street."

The rep sure could be pushy, but Fred wanted to see her even though it was already midday, and he was hungry for his lunch. "Sure, come on over."

Being a self-confessed titman, Fred had wanted to fuck Mary—or even just suck on her boobs—ever since he'd first met her. Unfortunately, she'd always played hard to get when he'd asked her for a date, and Fred was convinced that it had something to do with his being about 20 years older than the voluptuous vixen. As a result, the novelty seller had resigned himself to fixing his lascivious gaze on her killer cock-warmers when she wore her usual low-cut, multi-cleavage tops. "Salesmamship is the key," the bombshell once quipped.

Half an hour later an annoyed Fred had all but given up on his appointment. Just as he was about to head to the deli across the street for a stacked pastrami-on-rye, the DDD-cup distributor burst into his office unannounced, as she was apt to do. She breathlessly apologized, offering the feeble excuse that she'd mislaid her car keys.

"So whaddaya have for me this time, sweetheart?" asked Fred, getting right down to business and immediately staring at his visitor's bulging chest as she bent over his desk. Mary opened one of two boxes she'd brought with her and pulled out a small ceramic vessel. It was shaped like a female breast with a large, erect nipple functioning as a drinking spout.

Fred wasn't very impressed. "I'm sorry, but I already have a shitload of mammary mugs that I can't get rid off. They don't seem to be as popular as they once were."

"All right, how about these then?" Mary suggested, opening the second box, which contained something even less original: packets of elephant condoms for the "very well-endowed male," as she put it.

"Dammit, Mary, this stuff just isn't going to cut it anymore! I've seen it all before in one form or another. Surely you didn't rush over here to show me this junk?!" Fred snapped dejectedly.

For a moment the busty sales rep looked offended, but then her face lit up. "No, I didn't," she piped. "What I really want you to see is quite special. The tit-mug and elephant condoms were just to tease you."

By now Fred was wondering what the mystery gag could possibly be since Mary had opened both boxes she'd carried in. "What is it, sweetheart?"

"I'm wearing it," Mary purred.

Fred swallowed hard at the thought of what it could be. However, he wasn't in much of a mood for being teased, as his stomach was rumbling noisily. "I give up," Fred said impatiently. "What the hell is it?!"

Without saying a word, Mary began to undo the buttons on her blouse, exposing a humongous pair of brassiered boobs. "What do you think?" she murmured, giggling and jiggling her cantilevered bust. "It's the latest thing in edible underwear, or should I say *udder*-wear."

This time Fred *was* impressed. "I've seen

panties one can munch one's way through, but a comestible tit-sling? Incredible! And it looks so real. What's it made of?"

"Heavy-duty rice paper," Mary replied. "Fruit-flavored I believe. It's actually standing up pretty well, especially as I'm the sort of gal whose 18-hour bra usually gives up after 18 minutes. This one was made in Hoboken. I have a thousand back at the warehouse. You might be interested to know that I'm going to offer them to Jackson Jokes if you don't take them off my hands. Aren't they one of your competitors?" she asked, knowing full well that the Atlanta-based gag distributor was Fred's archenemy.

The titman sensed that it was another of Mary's many sales ploys and that he was being hustled. "How much do you want for them?" he asked brusquely.

"Because you're an old friend, Fred, you can have the whole lot for $5 each. I'm not going to haggle over the price, as I know Jackson Jokes will give me at least that."

Fred rubbed his chin, momentarily lost in thought. "Before I cut a deal," he muttered, "I'll have to test the thing to see if it's what you say it is. After all, the sample you're wearing doesn't look very edible."

"I hope you haven't had your lunch yet," Mary remarked, glancing down at her bottomless cleavage. "If you think paper panties were hard going, they're just a snack compared to this banquet."

"I was only going to take a few bites," Fred said, "but come to think of it, I'm famished. I might just eat the whole fucking thing. I'll turn around while you take it off, okay?"

Oh, Fred, I'm disappointed," the damsel cooed, thrusting out her splendorous orbs. "I want you to consume my bra in the intended manner—while I'm *wearing* it. Besides, that's the only way you'll know if it's any good."

Fred couldn't believe what he was hearing. After years of lusting after Mary's juicy casabas, it seemed that he was finally going to get his mouth around them. *But only if my jaws have the strength to chew through her udder-wear first*, he mused. "You're on," the jokeman said enthusiastically.

"Before we start," Mary chimed, "you'd better lock the door, and you'll need plenty of water. I was told by the manufacturer that extended mastication is called for...not to mention extended masturbation," she cheekily added.

After securing the premises, Fred knelt down in front of the babe as she sat in his dilapidated swivel chair. Then Mary removed her blouse and hiked up her skirt, spreading her sexily gartered thighs wide apart so Fred could get between them and push his face against her edible boulder-holder. Her bulging breasts were poised to flop out of the stuffed bra at any moment. *She definitely gives a new meaning to the phrase 'Her cups runneth over,'* he thought, about to fulfill a longtime quest.

Fred started by licking the bizarre tit-sling in selected areas to get an idea of its taste. Then his hungry mouth gravitated to the place in the cup that he suspected covered one of Mary's nipples. Concentrating on this part of her lung-hammock, he saturated the spot with saliva until it got mushy and began to disintegrate, enabling him to bite small pieces of it off. *Tastes pretty good*, Fred mused as he chewed and then swallowed a chunk, drinking plenty of water to wash it down.

Slowly but surely, Fred made a small hole in Mary's bra, an opening that gradually got bigger as he continued to feast on the flavorful undergarment. At first he was disappointed that it was just the alabaster skin of her bosom that was revealed. Obviously, he'd have to do some more work to locate the exact position of her milk spigot. As Fred enlarged the hole, an edge of areola began to appear. Soon he exposed all of the fat teat and the dimpled, concentric circles surrounding it.

The jokeman moved over to Mary's other bra cup and repeated the process until both her monster dugs poked through the udder-wear. All the while that Fred had been devouring the brunette's remarkable hooter-holder, he'd taken care to avoid touching her knockers, though in reality this was nearly impossible. However, the fact that her rubbery nodules still hadn't completely popped up was a good sign, and for a brief moment Fred stopped chomping away and just savored the splendid view of Mary's partially eaten demo model, which now resembled a well-used nursing bra.

At this point the horny businessman was unable to contain himself any longer, and he started to pinch Mary's countersunk dugs until they stood rigidly at attention. Closing her eyes and moaning with pleasure, Mary ran her fingers through Fred's hair as

BRA-SHOP SHUDDERS

Starring

KIMBERLEE KUPPS & CRYSTAL GOLD

PHOTOGRAPHY BY R.B. KANE

Kimberlee's 85GGG mega-Kupps need one helluva bra for proper support, and her boulder-holders don't last long because of the excessive weight they tote. Looking for fashionable replacements, the voluptuous sex star visits Four Handfuls Lingerie Shoppe in Hootersville. Crystal, no slouch in the boob department and eager as a beaver to offer *ass*-istance, eyeballs the busty browser, and dew-drops of pussy juice trickle down her legs. The sexy salesgirl finds a foundation for Kimberlee's inspection and measures the customer's titanic torso, but unbridled lust intercedes before a sale can be consummated. Sharing a common purpose, Kimberlee and Crystal lavish every inch of each other's ravishing bodies, tonguing tonsils, sucking stiff nipples and squeezing supple tits in rapturous foreplay, then consummating the transaction with immeasurably climactic cuntlapping.

All too soon it's time to get back to business. "I'll take all of your brassieres," says a still-shuddering Kimberlee, "if you'll let me have them *hole*-sale."

"Do me with your hot tongue!" Crystal shouts, her pussy aching for a fluttering flurry.

Crystal strikes gold, Kimberlee's clit that is. "Put that beautiful boob into my cunt," groans Ms. Kupps. "Deep!"

Salesgirl and bra buyer glow in the wake of shuddering climaxes. Later the sated pair seal the deal.

Photo CHEST

We're looking for well-endowed amateurs who want to pose for our *Photo Chest* contest. All you have to do is send in clear, color snapshots of your favorite bosomy gal nude (preferably several), and if we print one or more, we'll send her $200, plus the lucky lady will have a chance to appear in a full-length pictorial worth $1,000. Check out the accompanying model release for all the details.

Branford, Connecticut, is the hometown of Racheal, a camera-friendly, 34D-26-36 dancer. Racheal's hobbies are sex and reading, and the 24-year-old's favorite fantasy is "to give my husband a blowjob on a crowded beach at sunset." (Photos by Husband)

We've been bombarded with letters asking for more of Cherry, a September '94 *Photo Chest* girl from the Washington, D.C., area. A blonde then, here she is with black hair. "I want to know which color men like better," she writes. A 19-year-old student, Cherry measures 34F-26-34, she relaxes by dancing and snorkeling nude, and her latest fantasy (besides doing a feature pictorial in BUSTY) is "to be the star of a swing party...for two! or three!" (Photo by Friend)

Twenty-eight-year-old Jessie from College Park, Maryland, looks like a dancer, but actually she's a barmaid. When the 36C-24-36 brunette isn't filling beer mugs, she goes horseback riding, hiking and boating. Jessie's dream is "to have a sexy woman in a bathtub filled with strawberry gelatin and whipped cream." (Photos by Friend)

"I'm a weekend sex slave, blindfolded and tied to a bed. A man sucks my big titties hours on end, and my pussy gets so wet, it aches for sex. Instead of a hard cock, he leaves me alone. Later I feel a mouth furiously eating me out. I scream with pleasure, but when my blindfold is removed, I see a woman I don't know with a slutty look of accomplishment on her mouth. She and her brawny companion loosen me up with whiskey straight-up because I've never been in a ménaga à trois before. I turn to both of them and say, 'I'm ready. I'm scared. Just show me what to do. I'll do *anything!*' The rest is fucking and sucking history!" A *LewDDD Letter*? No, the extended fantasy of Diana, 35, a hotel desk clerk from Lakeworth, Florida. A self-proclaimed girl-next-door type, Diana enjoys bike riding, drumming and taking walks on the beach when she isn't registering guests. (Photo by Friend)

Tammi, a Las Vegas topless dancer with a 36DDD-20-33 figure, lists her hobbies as jet-skiing and motocross. The fast-moving 20-year-old has an appropriate wish: "to fuck wildly across the top of my dirt bike after a good race." (Photo by Husband)

Demo-Ma'm

(continued from page 68)

he digitally manipulated her sensitive nipples. What happened next was inevitable.

Gently pushing Fred away from her highly aroused nubs, Mary leaned forward and unhooked her bra at the back, freeing from their confinement two of the biggest gazongas the titman had ever seen. He thought that her oversized melons were simply stunning and immediately caressed them, wrapping their yielding bulk around his head like enormous earmuffs.

Having wallowed in her accommodating cleavage for what seemed an eternity, Fred then began to give the buxom representative's rack an extended tongue-bath. Richly veined with a fine marbled luster, Mary's gruesome twosome were a joy to lick, especially when it came to her dark, rugged areolas and the thumblike protuberances at their centers.

Having given Mary's zeppelins lots of manual and oral stimulation, Fred stood up and unzipped his fly as the bosomy wench remained seated. Pulling out his fully erect schlong, the would-be buyer thrust its considerable heft in between her drool-glazed boobs. In turn, the buxom dish squeezed her pendulous blimps tightly around Fred's hard cock as he bucked in and out of her chest valley. When Fred's dick peeked out of her intermammary chasm, Mary bowed her head and slurped the purple penile knob, soon providing excellent lubrication for the boob-bop of the century. Then the brunette pushed herself out of the swivel chair and fell to her knees so that her lips were level with Fred's giant erection.

Manipulating his bloated balls with one hand and grasping the base of his prick with the other, the sexy saleswoman began to tease Fred's engorged cock head by kissing it all over. Then she formed her fleshy lips into a firm pout and forced the end of Fred's bulbous hard-on into her mouth, taking him deeper and deeper inside her until his thick nine inches were firmly ensconced down her throat.

Mary's nostrils intermittently flared as she breathed through her nose while the tumescent dick packed her windpipe. Rhythmically bobbing her head while simultaneously playing with his testicles almost made Fred ejaculate. Nevertheless, he managed to hold off by using the old trick of doing multiplication tables in his head.

Still on the verge of blowing his load, Fred tugged the brunette to her feet and maneuvered her onto the top of his cluttered desk, knocking everything to the floor in the process. The randy rep raised her shapely butt so Fred could remove her soaked, non-edible panties. Pulling Mary toward him, her stockinged legs dangling over the edge of the desk, he was now able to eat her hot pussy before fucking her brains out in the traditional manner. As Fred buried his face in her muff, he said to himself, *This snatch smells much sweeter than those stupid split-beaver greeting cards.*

Skillfully separating the fleshy folds of her pink cunt lips with his tongue, Fred soon located the brabuster's joy-button and began to orally pleasure it. In no time her clit was as big as a pearl and pressing hard against his lingual snake. The minx writhed and moaned with gratification as her partner continued to perform expert cunnilingus, from time to time playfully snapping her taut garter straps against her silky thighs and curvaceous ass.

With his face swimming in Mary's flowing cunt juices, Fred slurped away until the wanton woman began to climax, bucking violently under his kisser. Biting her own hand to muffle her screams and arching her back in the throes of indescribable ecstasy, the titter peaked to a tumultuous orgasm, causing her big nipples to be tossed around on her restless tits like ships in a storm.

Getting up off his knees, Fred waited for the lady's passion to subside before he eased his cock into her torrid twat. Mary gasped as he slowly filled her up with every inch of his gristly tubesteak and began to hump away to his heart's content. The insatiable saleswoman then wrapped her long legs around Fred's butt to keep him from slipping out and fingered her clitoris while he screwed her.

The sight of the masturbating chick's wobbling whoppers as well as of his dick plunging in and out of her oozing cunt like a piston was too much. Taking a deep breath, Fred emptied his balls, shooting cum all the way to her cervical walls.

"So, lover boy, do you want to buy my edible brassieres?" Mary asked, Fred's mug nuzzled in her sweaty swells.

He lifted his head. "To tell you the truth, I don't know if there's a market for such an expensive novelty item. You see, I'd have to mark them up at least 200% to make a decent profit."

"I'd call that an *indecent* profit," Mary joked.

Fred ignored her remark. "That would make the wholesale price 15 bucks. With a retail markup, you'd then be looking at a

"Can I help it if halter tops don't *halt* me?!"

$20 item at the very least. It's too much. I don't think I can do it. However, I will take 500 bras at $3 each."

Mary adamantly turned down his bid. "No way, José. Like I said earlier, I'm not going to haggle. Five-thousand bucks for the lot, or nothing."

"Sorry, no can do."

"In that case," Mary huffed, retrieving her clothes, "you can pay me for the tit-sling you just ruined, and we'll leave it at that."

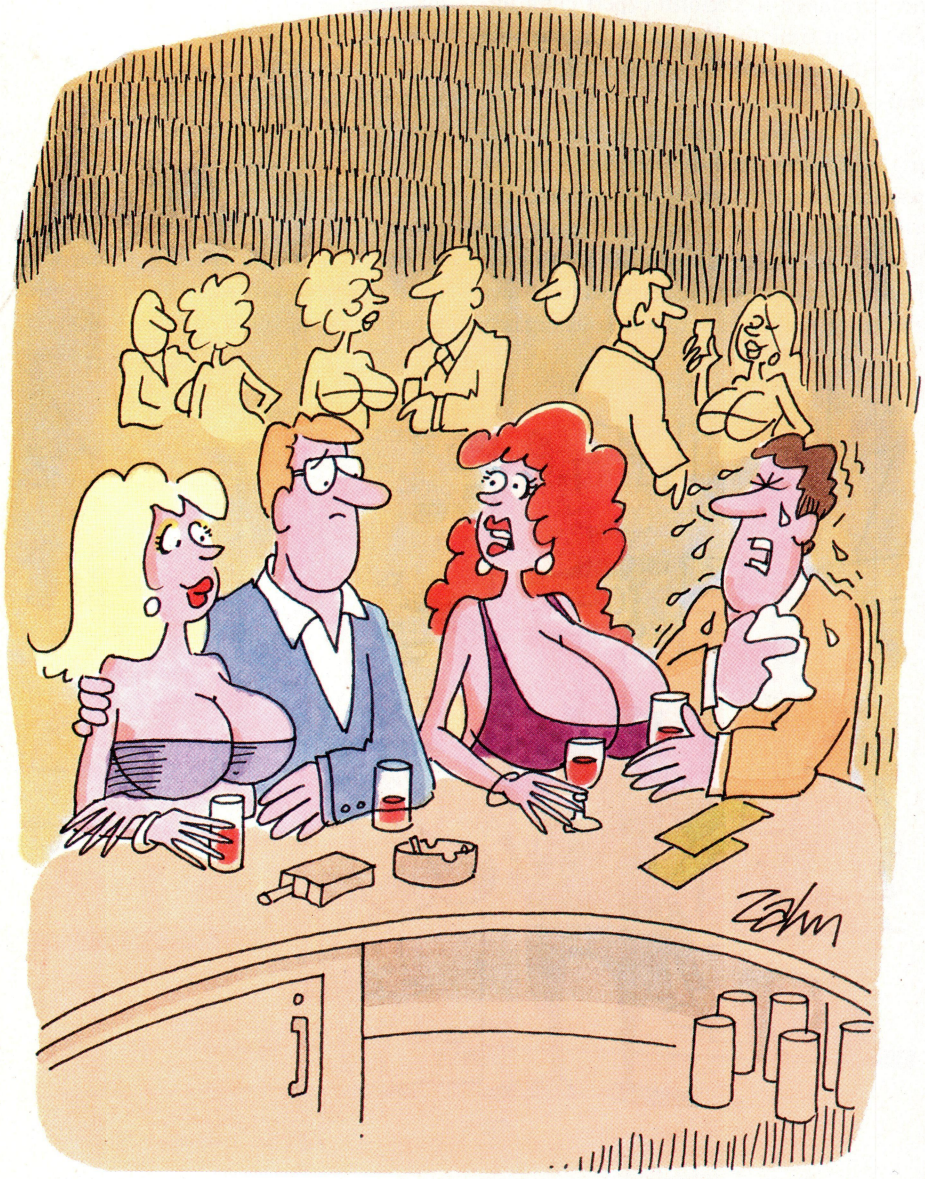
"Gee, Mary, can't you take a joke?" Fred interjected. "I was just kidding. Of course I want them. I'll write you a check for five grand right now. I don't want the president of Jackson Jokes getting his hands on these incredible bras...or his mouth around your incredible tits, assuming you'd give him a similar demonstration, that is."

"I don't think that's likely to happen, Fred, because this is the only udder-wear I've got. I was pulling your leg—not to mention your big dick—when I said I had a thousand in stock. You see, I needed a ruse to get you to screw me."

Fred was flabbergasted as well as more than a little peeved. "Believe me, you didn't need a ruse to get it on with me, Mary. You could have asked me any time you wanted. I've been hungry for your delicious bod ever since I first met you. When was that, '92?"

The blushing, busty brunette smiled at his confession, having suspected as much all along. "On the subject of hunger," she smiled, "I seem to have worked up quite an appetite myself. What about you, dear?"

Fred, renowned purveyor of raunchy gags and novelties, replied, "Gee, baby, I've just eaten."



"I told him I was considering breast-reduction surgery."

JESSICA
JUGGS
Jiggle Jubilee
Photography
by
Scott Fair

Ever see hot-air
balloons like this?
Meet 75JJJ-26-36
Jessica Juggs.

"Unzip that fly, and let's go around the world 80 ways on *my* hot-air balloons," says exotic dancer Jessica Juggs, whose creamy, 75JJJ jujubes are worthy of endless adoration and seemingly airworthy. Born in Wisconsin and now residing in the hills of Tennessee, the 5-8 redhead peels off her skintight teddy. "I love stripping for all my fans," she says, her gigantic jugs jiggling jubilantly. Jessica caresses the alabaster lobes, and as her fingers slowly slide down into the twinkling pinkness within, she writhes in ecstasy. Rubbing her pulsating clit, she murmurs, "For me the hottest sex is with a total stranger. I don't even want to know the guy's name. I just want him to suck my teeny-weeny nipples, fuck my tight pussy hard and deep and, in a grand finale, pull out his juice-covered cock for me to idolize. Going two-handed, I'd stroke his shiny shaft until he creamed both my breasts." Remember the name, Jessica Juggs. She may be coming to *your* town soon.

PENIS ENLARGEMENT

You can thicken, harden, and lengthen your penis to 12 inches or your maximum potential!

The only complete penis enlargement system featuring the largest selling and most successful pump and ***free*** *step-by-step instructional video and magazine!*

Successful results for over 20 years with more than 5 million men!

SUPERSTUD DICK RAMBONE STARRING IN RAMBONE DOES HOLLYWOOD

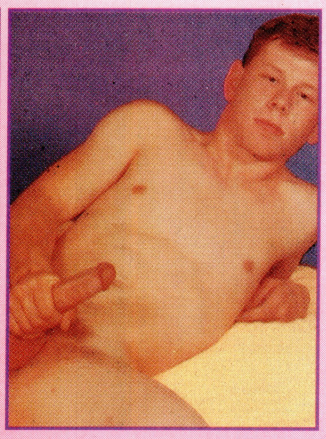
How can our heavy duty deluxe penis enlarger increase the length and thickness of your penis?
The answer is called hypermia, a medical term to describe blood filling into the caverns of your penis. The caverns expand causing your penis to grow in length and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions.

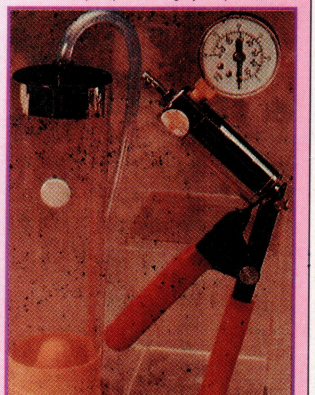
Can I use any pump to increase penis size?
Not exactly. Inferior substitute pumps and electric massage pumps can't help you. You need a quality pump constructed of the finest materials tested and tried and used successfully for over 20 years. Our pump will give your penis increases in length and diameter you never dreamed possible. Up to 10 inches, even 12 inches... or your maximum potential, and you'll see this dramatic increase in size grow right before your very eyes, through the clear housing.

If I have a quality pump, is that enough?
You need to know how to use the pump. This is important! Our instructional video tape and magazine shows you, step-by-step, how to harness the energy of our powerful pump. The video tape and magazine are easy to follow and guarantees you will understand how to use our pump. You will learn how to make your penis thicker and longer by following the easy step-by-step instructions.

The original made in the U.S.A. heavy duty deluxe pump with our exclusive 'Positive-Valve' vacuum system. Over 5 million satisfied customers. Rated No. 1 to be the best pump to enlarge your penis.

You will be pleased with the results and so will your sex partner!





Heavy Duty Deluxe 'trigger style grip' Penis Enlarger with vacuum gauge.

Any man, any age, any size and any race can achieve a longer, thicker, and harder penis!
Our heavy duty deluxe pumps are the same type of pumps prescribed by doctors that sell for up to $500 to help men produce an instant, dynamic, rock hard, throbbing erection. Accept no substitutes.
